

Hiring Full-Time Servers

Duties: As a server, you provide a pleasant and helpful service experience to visitors of the brewery, primarily including beer and snacks service. Other central duties include operating a Point-of-Sale system, stocking beer shelves, organizing merchandise, welcoming visitors, cleaning all areas of the tasting room including washrooms, operating a dishwasher, and adding value to customers experience through friendly interaction and education on our unique beer products.

Skills: Excellent communication skills, and ability to interact in a pleasant and friendly manner with members of the public in a fast-past environment. Interest in craft beer and/or knowledge of brewing ingredients, beer styles, and beer history is very helpful but not essential. A proven ability to work as a team should be demonstrated. Serving It Right (SIR) certificate is required for servers pouring alcohol but not for support staff. A positive attitude is the most important skill!

Work Experience: We will provide exposure to many facets of a food manufacturing facility, including brewing and canning, merchandising and retail. Supervision will be provided by company owners, who have experience in brewing, farming, and entrepreneurship.

Wage: \$16.00
