

JOB POSTING

St'át'imc Government Services is looking to fill the role of NATURAL RESOURCES AND HERITAGE MANAGER

Are you looking for an opportunity to apply your skills and expertise to support St'át'imc as we work to protect our lands and heritage? Do you love the outdoors, small community living, and have a passion to make a difference with a career that is inseparably connected to the indigenous territory you live, work, and play in? If yes, then working for St'át'imc is the opportunity you're seeking.

We administer programs to support St'át'imc priorities of effective resource management, upholding our culture, and developing economic opportunities for our people. The St'át'imc Environment and Heritage Departments work together for the benefit of our tmicw (land) and the ucwalmicw (the people of the land).

The Natural Resources & Heritage Manager works to uphold St'át'imc Title & Rights by addressing the protection and stewardship responsibilities for the Nation's land. This is achieved through development and implementation of a systemic approach towards heritage and lands management. This position is responsible for the leadership, management, development, and implementation of programs that ensure responsible sustainable usage of the water, protection of watersheds, the land and the wildlife that aligns to cultural values.

This position is part of the management team reporting to the Administrator. This team works closely to ensure the strategic goals of St'át'imc are achieved.

The successful candidate will have:

1. University degree in a related field and/or demonstrated relevant equivalent experience.
2. A minimum of 6 years of proven experience in managing and leading in the natural resources, heritage, and cultural fields.
3. Demonstrated experience in project management.
4. Successful experience in writing grant applications and proposals.
5. Proven experience in managing environmental and heritage programs is considered a very strong asset.
6. Experience and understanding of Action Research understanding, including ability to undertake and oversee action research projects.
7. Strong understanding and responsiveness of St'at'imc Culture, including, perspectives, ways of knowing, protocols, and engagement practices to effectively manage and support the St'at'imc Education and Training Program.
8. Collaborative and servant leadership styles and approaches that can support meaningful engagement, planning, and advancement of a shared St'at'imc vision of the management of their lands and heritage.
9. Ability to prioritize and work within a program that has many deliverables and tight timelines.
10. Ability to communicate effectively verbally and written in one-to-one and large group environments.

11. Project management experience, including design/planning, and implementation (including budget and financial management)
12. Self-motivated individual who can work independently or as part of a team as required.
13. Demonstrated knowledge of creating a variety of professional documents using the Microsoft Suite of applications.
14. Understands and has a proven record in data and records management.
15. Strong organizational and planning skills
16. Must be able to drive legally and safely on a variety of road surfaces within rural and remote areas with your own personal vehicle.
17. Willing to work flexible hours, which may include weekends.

Conditions of Employment:

- Full-time, may include evenings and weekends, 35 hours per week
- Salary range \$80,000-85,000, based on knowledge, skills and experience
- Location is flexible and will be based on position and Nation priorities.

To apply, please submit cover letter and resume to the following:

- Email: HR@statimcgs.org
- Fax: (250)256-0445
- Mail: P.O. Box 2218, Lillooet, BC, V0K-1V0

POSTED September 28, 2023.

Posting open until position is filled. Interviewing will start September Oct 13, 2023

Please Note: Only those applicants selected for an interview will be contacted.
